

LUXURY PERFORMANCE – 2012

GTX[†] LIMITED iS™ 260

The most luxurious of our lineup, this watercraft sets a new standard with its power and exclusive Limited features, including an ultra-plush touring seat, custom cover, Speed Tie,[™] depth finder, a safety kit. Then there are all the iControl[™] technologies for superior peace of mind and the fully Intelligent Suspension (iS[™]) for a smooth, comfortable ride.

SPECIFICATIONS

DIMENSIONS

Length	139.2" / 353.5 cm
Width	48.2" / 122.4 cm
Height	43.9" / 111.4 cm
Weight (dry)	980 lb / 446 kg
Rider capacity.....	3
Fuel capacity	18.6 gal / 70 l
Storage capacity.....	16.4 gal / 62 l

ENGINE

Type	1503 XHO Rotax® 4-TEC® engine
Intake system	Supercharged with external intercooler, 60 mm throttle body
Bore x stroke	100 mm x 63.4 mm
Displacement.....	1,494 cc
Compression ratio.....	8.4:1
Cooling	Closed-Loop Cooling System (CLCS)
Fuel type	87 octane – minimum 91 octane – recommended

DRIVE UNIT

Propulsion system.....	Sea-Doo® Direct Drive
Jet pump.....	Aluminum, axial flow, single stage, large hub with 10-vane stator
Transmission	Electronic iBR [™]
Impeller	Stainless steel

ELECTRICAL

Ignition	Digital induction
Starter	Electric
Battery.....	12 V

HULL AND COMPONENTS

Type	S ³ Hull [™]
Color	Pearl White

Driving center

Touring seat

Speed Tie

iS (Intelligent Suspension)

Swim platform with storage

EXCLUSIVE LIMITED FEATURES

- Custom cover
- Altitude indicator
- Depth finder
- Speed Tie
- High-performance VTS[™] preset
- Glove box organizer
- Dry bag storage
- Safety kit
- Sand bag anchor

iTC / **iBR** / **iS** / **S³** / **CLCS** / **ECO**

STANDARD FEATURES

HULL AND COMPONENTS

iControl.....	The "Brain" that integrates and controls all systems to create the best possible ride.
iS..... (Intelligent Suspension)	Allows the hull to move independently of the upper deck, isolating rider and passenger from the impact of rough water. Electronic adjustment, manual or automatic mode. Docking position, Touring calibration for a smoother ride at cruising speed.
S ³ Hull.....	Stepped, stable & strong. Lightweight material, ribbed and stepped. Creates a low-pressure zone to reduce drag for nimble handling and rail-tight cornering.
Touring / Sport mode.....	Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride — ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides all acceleration performance for a more aggressive throttle response.
ECO mode	This iTC™ function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.
Touring seat.....	Ergonomically designed for comfort and great looks providing ultra-plush seating for three.
iCatch™ bow cup	Equipped with a quick-attach device, this system helps to load and unload the watercraft from the Sea-Doo Move trailer. Also secures the watercraft during transportation.
Footwell carpets with Sea-Doo logo pattern	Offer extra comfort, non-skid surface and great looks.
Reboarding platform..... with rear storage	Easy access to battery, fuses and storage.
Fold-down reboarding step.....	Makes reboarding from the water easier and quicker.
Ski tow eye.....	For easy and secure attachment of ski rope.
Watertight, removable storage bin	Provides dry storage for luggage and necessities with easy access.
Tilt steering.....	4 adjustable steering angles for maximum ease and comfort.
Interactive Multifunction Digital Information Center	Reports 35 key operating functions: Fuel level, Tachometer, Speedometer, Hour meter, Compass, Clock, Fuel consumption meter, Time / Distance to empty, Altitude, Water temperature, Depth finder, Touring / Sport mode, ECO mode , Cruise control, Slow mode, VTS preset, Suspension settings: auto and manual mode, Suspension dock mode ON_OFF, F-N-R indicator, Low fuel level, Low oil level, Low oil pressure, Low voltage, Overheat, Hi voltage, Check engine, Sensor check, Battery protection, Key (wrong key), Learning Key, Maintenance info, Error codes.
Digitally Encoded Security..... System (D.E.S.S.™)	Industry's first digitally encoded theft-deterrent system.
Off-Throttle Assisted Steering (O.T.A.S.™)	Provides the operator with additional steering effect in off-throttle situations for greater maneuverability.
Quick latch fuel filler design	Front splash deflector
Hinged seat	Dual drain plugs
Sponsons	Engine access cover (removable)
Bumpers	External exhaust cooling flush attachment
Wide-angle adjustable mirrors	Emergency floating lanyard
Swim platform carpet w/ Sea-Doo logo	Seat strap
Reboarding handles on rear platform	Operator's guide, instructional video and booklet
Rear grab handle	

OPTIONS

Removable wakeboard rack	Engine temperature
Ski mode	Fire extinguisher
Top/average speed/RPM	Sea-Doo Move trailer
Lap timer	

WARRANTY

BRP limited warranty covers the watercraft for one year.

New feature for 2012 model

REVISED JULY 28, 2011

GTX LIMITED iS 260

ENGINE

Supercharged, intercooled 1,494 cc four-stroke, Rotax with four valves per cylinder	Supercharged, intercooled 1503 XHO Rotax 4-TEC engine provides reliable ultra-high performance in fresh or salt water, increased torque at low RPM, optimized power at all RPM levels and throttle positions.
Multi-port fuel injection.....	Better control of exhaust emission and power at all RPM ranges to reduce emissions and reduce fuel consumption.
iTC (Intelligent..... Throttle Control) system	Operating electronically, this advanced throttle system starts you in neutral for easier dockside starts. It also features an activity-specific Cruise control, Touring /Sport mode, ECO mode , and Variable Trim System that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.
iControl Learning Key™.....	The programmable Learning Key allows you to limit the performance of the PWC based on rider skill level.
D-Sea-Bel™ system.....	Combines a series of resonators and vibration-absorbing components to make Sea-Doo watercraft some of the quietest on the water.
Closed-Loop Cooling System.....	Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.
Water/air separator.....	Provides maximum airflow to engine and reduces water intrusion.
Watertight digital ignition.....	Provides optimal energy for a consistent spark, ensuring maximum performance.
RPM limiter.....	Protects engine from over-revving.
Warning device.....	Warns operator of engine and exhaust overheating, engine management and system failure.
Handlebar-mounted..... start/stop button	Engine starts and stops with single, user-friendly control button.
Tip Over Protection..... System (T.O.P.S.™)	Protects engine in case of turn over.

PROPULSION SYSTEM

iBR (Intelligent Brake..... & Reverse) system	The world's only on-water braking system, iBR lets you stop up to 100 feet sooner than any other watercraft ¹ . All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier.
Sea-Doo Direct Drive..... propulsion system	Delivers optimum performance with the Rotax engine.
Replaceable UHMW ² wear ring	Provides long impeller life, less maintenance and maximum thrust.
Dual automatic vacuum..... siphon pumps	Continuously removes water entering the engine compartment.
Large diameter drive shaft..... with crowned spline design	Maintains engine and pump alignment at all operating speeds.
Stainless steel impeller.....	Delivers improved acceleration, higher top speed and less cavitation.
Aluminum stator vanes.....	Handles the high-performance engine without erosion.

LIMITED PACKAGE

High-performance electric..... VTS (Variable Trim System)	Provides pre-set positions for quick settings when adjusting boat trim, maximizes acceleration and high-speed stability.
Additional gauge functions.....	Depth finder, Time/Distance to empty, Altitude indicator.
Speed Tie.....	Automatic retractable mooring lines eliminate the hassles of traditional docking lines.
Removable dry bag.....	Keeps contents dry and converts to backpack when removed.
Sandbag anchor.....	Easy way to hold your boat in one position.
Safety kit.....	Contains all the essential safety equipment.
Glove box organizer.....	Ideal to keep gear or cell phone dry; removable and watertight.
Custom boat cover.....	Protect your PWC.
